SPR is responsible for issuing permits related to Free Speech/First Amendment activities and to Citywide Special Events. Please see below for how to obtain a permit.

---

### Introduction

Thank you for choosing Westlake or Occidental for your public event. Parks Use permits allow us to prevent conflicts, make necessary maintenance preparations, and avoid overuse of facilities.

Permits are required if: 1) Any amplified sound is planned. 2) Any equipment is brought into a park. 3) The event is publically advertised. 4) Over 50 people are expected.

Use permits are granted on an application-review basis. To apply for a permit in Westlake or Occidental Park please send the attached application to:

#### **Application:**

Please complete the attached application form as completely as possible. Answers to the questions should give a full description of all activities planned, all facilities that are needed, date and times of the event and the number of people expected. Wherever you give a "yes" answer on the checklist, please provide a detailed explanation; add pages and maps if needed. Remember to date and sign the application. We will return all un-signed applications, and any incomplete form may cause delays.

We encourage all event organizers to turn in their applications early, as Parks Use Permits are considered on a first-come, first-served basis.

DSA accepts applications at any time for events, but late fees will be assessed to applications received within seven business days; late applications may be denied if we determine there is insufficient preparation time for any aspect of an event.

## **Fees and Charges**

### **Application Fee**

You will be charged a non-refundable Park Use Permit Application fee with every permit application. The fee is \$75 unless your event is protected by the First Amendment to the U.S. Constitution, in which case the processing fee is reduced to \$50. Other fees, explained below, may include but are not exclusive to:

### **Permit Fees**

- \$25 per hour rental fee
- \$95 for Electrical or Water Hookup Fee
- \$75 Late Application Fee (explained under Application section)
- \$100 Commercial Use Fee per surface or display is explained in detail below
- \$25 per vehicle per day Load/Unload Fee. Vehicles permitted to enter parks for load/unload purposes.

Vehicles may not be allowed at certain times

- 10% of gross sales or \$30 per booth/canopy fee, whichever is greater (explained below)
- Any damage done to the park during an event (explained below)
- Additional use fees, such as table or shelter fees.
- A refundable damage deposit may be required for certain events. Fees are relative to size, setup, attendance, and park/patron impact.
- Once we process your application, we will send you a confirmation with the cost of your permit. Downtown Seattle Association may require insurance, deposit, and special approvals or permits from other City departments in addition to the above fees. All fees are non-refundable.
- Upon review of a Park Use Permit application, DSA may determine that extra staff is required onsite at an event. Applicants will be advised of this requirement/cost during permit review.

### **Admission, Event Fees, or Sale of Merchandise Fee**

DSA must approve any plan to charge admission or sell any service or product at any event on Parks property. If approved, 10% of gross receipts collected on Parks property or a \$30 per booth/canopy fee (whichever is greater) must be paid to the Downtown Seattle Association.

This payment is due to the DSA within 10 business days after the event. Please make all checks payable to "DBIA Services." This fee does not apply to bona fide donations or contributions made at a political or religious gathering. (As a rule, in a contribution, the donor alone determines what he/she will give, and receives nothing in exchange. In a sale, the seller, or the seller and buyer, set or suggest a price, and the buyer receives merchandise or a service in exchange for their money.)

There may be contracted concessionaires in the parks who have exclusive privileges to sell food inside that park. DSA will inform applicants if this is the case.

DSA reserves the right to regulate the pricing of goods and services sold to the public. Please discuss with the DSA the prices of food, products, or services and admission charges when you apply.

### **Commercial Use/Promotional and Advertising Fees**

DSA charges \$100 per surface, per day, for advertising in parks. Surfaces include - but are not limited to - banners, signs, tents/canopies, vehicles, inflatables and other structures that include advertising, logos or branding for organizations, services or products. Some structures/vehicles may be considered multiple surfaces.

Permit applicants/holders are responsible for all advertising fees and are required to obtain design approval from DSA and must accurately disclose all applicable displays prior to permit issuance.

### **Damage Mitigation**

Damage to turf, trees, shrub beds, hard surfaces, or buildings caused during the event will be charged to the user group at Parks' current labor and material costs. All damage must be repaired to Seattle Parks and Recreation standards.

### **Insurance:**

- PLEASE SEND THIS SECTION AND INSURANCE REQUIREMENTS ATTACHMENT TO YOUR BROKER, AGENT, OR INSURER.
- Acceptable evidence of insurance as specified below must be filed with and approved by Downtown Seattle Association at least 30 days prior to the scheduled date of an Event on Parks property.

- The only exception to the insurance requirement is if the proposed event is a political activity protected by the First Amendment to the U.S. Constitution unless the event includes activity that presents a significant risk of injury because food is sold or served; a stage, scaffolding, tent, or canopy is erected; participants engage in athletics, group exercises, or activity involving physical contact; booths or structures are included; carnival rides; electrical cords, or wires are used; use of generators; any open flame, vehicle or float, inflatable signs; or erecting anything that may fall or collapse.

### **Insurance Requirements**

- The minimum coverage must consist of a Commercial General Liability (CGL) insurance policy or the equivalent with a minimum limit of liability of \$1,000,000 each occurrence combined single limit bodily injury and property damage (CSL) or the multiple limits equivalent. If alcoholic beverages are to be served, host liquor liability coverage must be included.
- If a vehicle enters the park for setup and/or breakdown of the event, there is an additional requirement for automobile liability insurance with a minimum limit of liability of \$1,000,000 CSL or the multiple limits equivalent.
- “Downtown Seattle Association” must be an additional insured for primary and non-contributory limits of liability. NOTE: THIS IS A DESIGNATED ORGANIZATION PERMIT. THE GENERAL LIABILITY ADDITIONAL INSURED POLICY OR ENDORSEMENT LANGUAGE MUST BE AS PER THE ISO CG 20 26 ADDITIONAL INSURED ENDORSEMENT FOR DESIGNATED ORGANIZATIONAL PERMITTING OR EQUIVALENT. “OWNER’S, LESSEES OR CONTRACTORS” ADDITIONAL INSURED LANGUAGE WILL NOT BE ACCEPTED.
- Safeco Insurance Company certificates must have a CG 76 80 “Primary and Non-Contributory” endorsement attached.
- The insurer(s) must provide not fewer than thirty (30) days’ notice of cancellation, except ten (10) days as respects cancellation for non-payment of premium.
- Certification of insurance, which in addition to a certificate of insurance must include an actual copy of the additional insured provision to the general liability insurance policy (either blanket additional insured language or a designated additional insured endorsement), must be issued to:  
Downtown Seattle Association  
Parks Event Scheduling  
1809 7th Ave, suite 900  
Seattle, WA 98101  
and must be e-mailed as an attachment to: [Permit.Parks@downtownseattle.org](mailto:Permit.Parks@downtownseattle.org)

### **Deposit**

The Downtown Seattle Association may require deposit in these situations:

1. When admission is charged to an event or food or products are sold, in order that the park may be assured of collecting the percentage of gross receipts charged;
2. When an event presents a risk of damage to Parks property, in order that the Park may be assured repairs will be made or the City reimbursed its cost;
3. When the event appears likely to cause Parks unusual clean up or restoration expenses, in order that the Parks can cover its probable out-of-pocket costs;
4. When the City’s Noise Control Ordinance, Seattle Municipal Code (SMC) 25.08, applies, in order to comply with its terms and conditions, particularly Section 520E;
5. When special services are provided, or extra expenses are anticipated, and the Superintendent of Parks and Recreation determines that a performance bond is necessary to fully protect the City.
6. When the applicant has previously held an event that violated the Seattle Park Code.

The bond or cash deposit is set in an amount which would make the City whole if the terms and conditions of the use permit were not fully performed, and where applicable, in accordance with SMC 25.08.520E.

### Noise and Sound Control

Except as authorized by the Event Scheduling Office for specific events and times, it is unlawful to use any public address system, loudspeaker, or other sound amplifying device in any park. In addition, SMC 25.08.52A makes it unlawful for any person to cause or allow sound from an officially sanctioned outdoor musical event originating in a park to exceed an "Le q" of 95 db(A) for one minute as measured 50 feet from the source. An "Le q" is defined as "The constant sound level that, in any given situation and time period, conveys the same sound energy as the actual time-varying A-weighted sound."

The Event Scheduling Office has the discretion to allow or disallow amplified sound during a special event. Alternatively, they may require a park user to comply with a lesser sound level than outlined by the City sound ordinance. Please inquire at the time of booking.

An authorized Parks official, DPD official, or a police officer may stop any outdoor musical event as a public nuisance if the decibel level exceeds 105 dB (A) for a total of five minutes in any thirty minute period as measured 50 feet from the source. A copy of the Noise Control Ordinance will be supplied upon request.

**Cancellation, Relocation by Department:** SPR may, without liability, upon giving as much advance notice to the User as practical, cancel or terminate a Permit or relocate a scheduled use to a nearby available location if the premises are closed for repairs, necessary utilities or services cannot be supplied or a supervening order of a governmental officer or agency makes it necessary.
